TERMS AND CONDITIONS

- Loanable Amount:** Qualified Emergency Loan (EL) borrowers with no existing EL account shall be allowed a loan amount of Php20,000.00. For borrowers with existing EL account, their loanable amount is up to Php40,000.00 but the net proceeds should not exceed Php20,000.00.
- Qualified Loan Borrowers:** Active GSIS members shall be qualified to avail of an EL provided the following conditions are met:
 - The member-borrower is a bona fide employee of an agency located in a declared calamity area or is a resident of a declared calamity area, based on the latest GSIS records as of the time of declaration of calamity;
 - The member-borrower is in active service and not on leave of absence without pay;
 - The member-borrower's premium payments with GSIS, for both Personal and Government share, should be equivalent to at least three (3) monthly premium contributions within the last six (6) months prior to application;
 - The member-borrower has no pending administrative case and/or criminal charge; and
 - The member-borrower has a resulting monthly net take-home pay of not lower than the amount required under the General Appropriations Act, after all the required monthly obligations, including the EL amortization, have been deducted.

The member-borrower may avail of the EL even if s/he has an existing EL and/or other GSIS loan/s that is/are due and demandable.

- Repayment Term:** The loan repayment shall be made over three (3) years in thirty-six (36) equal monthly installments.
- Payment Mechanism:** The monthly amortization shall be paid through payroll deduction. It is understood that the deduction shall not be stopped until the loan is fully paid. In the following instances, however, the member-borrower shall directly remit to the GSIS the loan instalment as they fall due:
 - The name of a member-borrower is excluded from the monthly collection list for reasons other than retirement, separation, permanent disability, or death;
 - The member-borrower is on secondment, on study leave without pay, or extended leave without pay;
 - The monthly amortization is not deducted and/or remitted by the agency for any reason aside from item 4(b) above or item 10 below; or
 - The loan amortization deducted from the payroll is not sufficient to cover the full amount due.

The member-borrower whose loan is paid through payroll deduction shall observe all necessary measures to ensure the deduction as well as the proper and timely remittance of the correct monthly amortization to the GSIS by the concerned agency.

- Interest Rate and Monthly Amortization:** The annual interest rate shall be six percent (6%) computed in advance, with an annual effective rate of 9.88%, computed as follows:

Particulars	New	With Existing EL
Loan Amount (Loan)	P 20,000.00	Up to P 40,000.00
Interest Rate (Interest)	6%	6%
Term of Loan (Term)	3 years	3 years

- Due Date of Monthly Amortizations:** The First Due Date (FDD) of the monthly amortization shall be on the 10th day of the 3rd calendar month following the granting of the loan. Thereafter, the monthly amortization is due every 10th day of the succeeding months until the loan is fully paid.

Date of remittance of the 1 st Monthly Amortization	On or before September 10, 2020
Due Date for the remittance of the remaining 35 Monthly Amortizations	Every 10 th of the month thereafter until August 10, 2023

- Loan Redemption Insurance:** An EL Redemption Insurance (ELRI) of 1.2% of the gross loan amount shall be deducted from the proceeds of the loan. If the member dies during the term of the loan and the loan is not in default, the loan shall be deemed fully paid by virtue of the ELRI coverage. The ELRI is automatically terminated when the active member pays the loan in full or upon expiration of the term of the loan, whichever comes first.
- Penalty for Arrearages:** An account is considered in arrears if:
 - There is payment for monthly instalment but the remittance of said payment is delayed;
 - The actual amount paid for the month is less than the amount due for the same month; or
 - There is no payment made for the month.

It shall incur a penalty at the rate of 1% per month, compounded monthly, until the arrears are paid.

9. **Loan Pre-Termination:** The member-borrower may pre-pay the loan anytime during its term without penalty by paying off the remaining outstanding principal and any unpaid interest up to the time of termination.
10. **Maturity of the Loan:** The loan shall mature upon the occurrence of any of the following, whichever comes first:
- End of the payment term of thirty-six (36) months, subject to the policy on default;
 - Retirement of the member-borrower subject to existing policies and guidelines on Choice of Loan Amortization Schedule for Pensioners (CLASP);
 - Separation from the service of the member-borrower;
 - Permanent disability of the member-borrower; or
 - Death of the member-borrower, subject to the rule on ELRI.

In any of the foregoing cases, the entire principal amount of the loan including all interest and other charges payable, shall be due and payable without need of demand or further notice.

11. **Deduction from the Loan Proceeds:** Aside from the ELRI premium of 1.2% of the loan amount, the member-borrower's outstanding balance (OBAL) from previous EL, together with the penalties, if any, shall also be deducted from the loan proceeds.

If the member-borrower has other GSIS loan/s that is/are due and demandable, the outstanding balance of such due and demandable loan/s should not be deducted from the loan proceeds of the EL.

In addition, the member-borrower shall not be charged any service fee by the GSIS. However, if the member-borrower's servicing bank shall charge any fee for the processing of the EL, such amount shall be for the account of the member-borrower.

12. **Loan Cancellation:** Member-borrowers shall be allowed to cancel the loan agreement within a period of thirty (30) calendar days from the date of the granting of the loan. In case of cancellation of the loan upon the behest of the member-borrower, the principal amount (or the face value in the loan contract), plus the pro-rata interest and ELRI covering the days from loan granting up to the actual cancellation of the loan, shall be paid in full.
13. **Policy on Default:** An account is considered in default when the total unpaid obligation is equivalent to more than six (6) monthly amortizations. In the event of default, the outstanding balance of the loan becomes due and demandable without need of demand. In case of failure to pay the outstanding balance declared in default, the outstanding balance shall be charged with an interest equivalent to 12% per annum compounded monthly (p.a.c.m.) and a penalty of 6% p.a.c.m., from the date of default until the date of full payment.
14. **Application of Payment:** Every payment shall be applied to the amount due, following this order of priority:
- Penalty, if any
 - Interest
 - Principal
15. **Authority to Apply Payment:** If this loan remains wholly or partly unpaid upon its maturity, the GSIS is authorized to collect, deduct or withhold from whatever benefits that may be due the member-borrower, his/her heirs, beneficiaries, assignees or successors- in-interest, the amount equivalent to the outstanding balance of this loan, inclusive of interest, penalties and surcharges. Such authorization shall remain effective until full payment of this loan or of any other outstanding obligation of the member-borrower to the GSIS. It is expressly understood that any unpaid balance or outstanding obligation of the member-borrower to the GSIS, by virtue of this loan and/or other obligation, shall constitute a lien over any benefits/claims that may be due the member-borrower. Should such benefits/claims from the GSIS be insufficient to cover the remaining balance, GSIS shall not be prevented from filing the necessary civil and administrative action(s) for recovery either against the member-borrower or his/her estate.
16. **CLASP:** Effective June 1, 2011, retiring GSIS members who opt for a retirement scheme with an immediate pension benefit as provided under RA 660, PD 1146 and RA 8291 may avail of the CLASP where the members-retirees may settle their outstanding balance of the loan in whole (100%) or in part (75%, 50% or 25%) by deducting the loan balance from their retirement proceeds. For those who choose to pay a percentage of the outstanding balance of the loan (75%, 50% or 25%), the remaining unpaid balance shall be restructured as a loan with a rate of 10% per annum compounded annually, payable over a maximum period of three (3) years.
17. **Recovery of amount/s credited in the eCard:** GSIS shall have the right to recover, by any legal means, any amount in the borrower's eCard account that is credited thereon by the GSIS due to fraud, misrepresentation or error on account of any transaction which the member-borrower may have with the GSIS.
18. **Attorney's Fees:** Should the GSIS be compelled to refer the Loan or any portion thereof to an Attorney-at-Law for collection or to enforce any right hereunder against the member-borrower or to avail of any remedy under the law or this Agreement, the member-borrower shall pay an amount equivalent to twenty-five (25%) per cent of all amounts outstanding and unpaid as and for attorney's fees and litigation expenses.
19. **Venue:** Any legal action, suit, or proceeding arising out or relating to this Agreement, shall be brought or instituted in the appropriate courts in the City of Pasay or such other venue at the exclusive option of GSIS. In the event the member-borrower initiates any legal action arising from or under this agreement, for whatever causes, the member-borrower agrees to initiate such action only in the City where the principal office of GSIS is located.
20. **Transfer/Change of Office:** The member-borrower shall immediately notify in writing the GSIS of his/her transfer to any government office/agency. The agreement in this Application Form shall be a sufficient authority for GSIS to effect collection through salary deduction from the new office/agency.
21. **Notices:** All notices required under this Agreement or for its enforcement shall be sent to the Office Address indicated in the Personal Data portion of this loan application. The notices sent to the said office address shall be valid and shall serve as sufficient notice to the member-borrower for all legal intents and purposes.

Furthermore, I hereby authorize the GSIS, through my employer (government agency), to deduct from my terminal leave benefits any remaining outstanding loan obligations I may have with the GSIS upon my separation or retirement. I understand that the remittance thereof by my employer to the GSIS shall first be undertaken before the issuance of a GSIS clearance for the release of my remaining terminal leave benefits, if any.

No. 10173, otherwise known as the Data Privacy Act, and consent to the manner of collection, use, access, disclosure and processing of my personal and sensitive personal data by the GSIS.

Finally, pursuant to R.A.
